The interest rate, fees and loan term used in this calculation may not actually represent those available from lenders. Actual interest rates, fees and loan terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any repayment of the loan used in this calculation is an obtrary 12.35%, however exact interest rates any per lender. The term of the loan used in this calculation is 165 week. Exact terms available vary per lender although options typically include 6, 12, 18, 24, 36, 48 and 60 months. This calculation also includes two typical mandatory fees charged by lenders. These are an account admin fee of \$6.50 per month (other payment frequencies may be available) and a one-off establishment fee of \$323.00. Typically, this fee can be paid upfront or, as in this calculated by multiplying 165 weekly repayments (based on a 165 week term) by the weekly repayment amount of \$76.39 which equals \$13,704.15. This calculator does not consider any of your own personal circumstances and we strongly suggest you seek budgeting advice prior to combit time on by the one contract. Responsible lending criteria and lender terms and conditions will likely apply to any finalised loan contract.
